

Green Congregation Covenant  
Sponsored by

The Web of Creation

**We accept our responsibility to be Stewards of the Earth,  
and we pledge ourselves to act accordingly.**

**We will . . .**

Choose to participate in the Green Congregation Program:

- Designate a group or individual to provide leadership and oversight of this pledge, and to work with partnering groups for its fulfillment.
- Set specific goals in these areas:
  1. Worship in ways that celebrate and foster care for Creation.
  2. Educate adults and children in ecological issues and practices.
  3. Green the buildings and grounds of our facilities.
  4. Promote earth-friendly lifestyles of members at home and work.
  5. Work for community involvement in caring for the environment.
